

## PUBLICATIONS

1971-1982 :

HURWITZ, L., and **SURIA, A.**: The link between agonist action and response in smooth muscle. *Annual Review of Pharmacology*, 11: 303-326, 1971.

**SURIA, A.**, and COSTA, E.: Benzodiazepines and post-tetanic potentiation in sympathetic ganglia of the bullfrog. *Brain Research*, 50: 235-239, 1973.

**SURIA, A.**, and COSTA, E.: Possible mechanism of action of benzodiazepines. *Journal de Pharmacologie*, 5: Suppl. 1, 94-95, 1974.

**SURIA, A.**, and KOSLOW, S.H.: Studies on the reinnervation of lumbar sympathetic ganglia with splenic nerves. Werner-Gren International Symposium. In: *Dynamics of Degeneration and Growth in Neurons*. Eds. K. Fluxe, L. Olson, and Y. Zotterman. 1974, Pergamon Press, Stockholm, Sweden.

**SURIA, A.**, and COSTA, E.: Diazepam inhibition of post-tetanic potentiation in bullfrog sympathetic ganglia. Possible role of prostaglandins. *Journal of Pharmacology and Experimental Therapeutics*, 189: 690-696, 1974.

**SURIA, A.**, and COSTA, E.: Diazepam depolarization of presynaptic terminals in bullfrog sympathetic ganglia: Mediation through GABA. *Psychopharmacology Bulletin*, 15: 4, 1975.

**SURIA, A.**, LEHNE, R., and COSTA, E.: Possible mechanism of action of benzodiazepines. IX Congress Collegium Internationale Neuro-psychopharmacologium. Paris, France. *Excerpta Medica*, pp. 729-734, 1975.

**SURIA, A.**, and COSTA, E.: Action of diazepam, diBcGMP, and GABA on the presynaptic terminals in bullfrog sympathetic ganglia. *Brain Research*, 87: 102-106, 1975.

**SURIA, A.**, and COSTA, E.: Involvement of GABA in the action of diazepam on the presynaptic terminals in bullfrog sympathetic ganglia. In: *Mechanism of Action of Benzodiazepines*. *Advances in Biochemical Psychopharmacology*, Vol. 14: Eds. E. Costa and P. Greengard, pp. 103-112, Raven Press, New York, 1975.

COSTA, E., MAO, C.C., GUIDOTTI, A., and **SURIA, A.**: New concepts on the mechanism of action of benzodiazepines. *Life Sciences*, 17: 167-186, 1975.

**SURIA, A.**: cGMP modulates the intensity of post-tetanic potentiation in bullfrog sympathetic ganglia. *Neuropharmacology*, 15: 11-16, 1976.

BERTILLSON, L., **SURIA, A.**, and COSTA, E.: Gamma aminobutyric acid in superior cervical ganglion. *Nature*, 260: 540-541, 1976.

WANIEWSKI, R.A., and **SURIA, A.**: Alterations in gamma aminobutyric acid levels in the rat superior cervical ganglion and pineal gland. *Life Sciences*, 21: 1129-1142, 1977.

GUIDOTTI, A., GALE, K., **SURIA, A.**, and TOFFANO, G.: Biochemical evidence for two classes of GABA receptors in rat brain. *Brain Research*, 172: 566-571, 1979.

WANIEWSKI, R.A., and **SURIA, A.**: GABA-induced potentiation of norepinephrine stimulated cyclic GMP accumulation in rat pineal glands. *Neurosciences*, 5: 2044, 1979.

BILLINGSLEY, M., **SURIA, A.**, and WILLIAMS, J.C.: Effects of picrotoxine, naloxone, and vagotomy on chlordiazepoxide-induced respiratory depression. *Archives Internationales Pharmacodynamie et Therapie*, 242, 95-103, 1979.

WANIEWSKI, R.A., and **SURIA, A.**: Modulation of transmission in the rat pineal gland by GABA. *International GABA Symposium, Myrtle Beach, South Carolina, Brain Research Bulletin*, 4: 700, 1979.

BILLINGSLEY, M., **SURIA, A.**, GILMAN, R., SHOKES, L., and SHAHVARI, M.: Evidence for GABA involvement in the peripheral control of blood pressure and vascular resistance. *Brain Research Bulletin*, 5: 329, 1980.

WANIEWSKI, R.A., and **SURIA, A.**: Modulation of cyclic GMP in the rat pineal gland by GABA. *Brain Research Bulletin*, 5: 347-353, 1980.

**SURIA A.**, and KILLAM, E.K.: Carbamazepine. In: *Antiepileptic Drugs: Mechanisms of Action*. Eds. G.H. Glaser, J.K. Penry and D.M. Woodbury, pp. 597-615, Raven Press, New York, 1980.

KILLAM, E.K., and **SURIA, A.**: Benzodiazepines. In: *Antiepileptic Drugs: Mechanisms of Action*. Eds. G.H. Glaser, J.K. Penry, and D.M. Woodbury. pp. 597-615, Raven Press, New York, 1980.

BILLINGSLEY, M., and **SURIA, A.**: Effects of peripherally administered GABA and other amino acids on cardiopulmonary responses in anesthetized dogs and rats. *Archives International Pharmacodynamie et Therapie*, 255: 151-160, 1982.

### **1984 - 1988 :**

SAEED, S.A., and **SURIA, A.**: Potential new uses of aspirin. *Pakistan Journal of Pharmacology*, 1: 21-40, 1984.

SAEED, S.A., and **SURIA, A.**: Bioavailability of drugs. *Journal of Pakistan Medical Association*, 34: 322-325, 1984.

**SURIA, A.**, SAEED, S.A., ZAIDI, A.K.M., KARIMI, S.J., HASSAN, R., and CHIANG, T.J.: Serum levels of acid and alkaline phosphatase in leprosy patients in Pakistan. *Journal of Pakistan Medical Association*, 34: 352, 1984.

HALL, N.R., **SURIA, A.** and GOLDSTEIN, A.L.: Elevated levels of GABA in the Thymus Gland during the immune response. *Lymphokine Research*, 4, # 4, 339, 1985.

SAEED, S.A., and **SURIA, A.**: Endogenous inhibitor(s) of platelet aggregation. *Journal of Pakistan Medical Association*, 35: 41-44, 1985.

SAEED, S.A., and **SURIA, A.:** Activity of endogenous inhibitor(s) of platelet aggregation in plasma of normal males, females and pregnant women. *Journal of Pakistan Medical Association*, 35: 217-220, 1985.

**SURIA, A.**, and SAEED S.A.: Endogenous inhibitors of cyclic nucleotide phosphodiesterase, isolation and partial characterization. *Pakistan Journal of Pharmacology*, 2: 47-57, 1985.

SAEED, S.A., ZAIDI, A.K.M., KARIMI, S.J. and **SURIA, A:** Drugs effecting wound healing and alkaline phosphatase activity. *Pakistan Journal of Surgery*, 1: 91-95, 1985.

KHAN, R.J., SAEED, S.A., TALATI, J.J., and **SURIA, A.:** Unbalanced arachidonic acid metabolism and plasma of infertile males. *Pakistan Journal of Surgery*, 1: 143 -146, 1985.

SAEED, S.A., BADI, G., TALATI, J.J., and **SURIA, A.:** Altered regulation of platelet aggregation in renal disorders. *Pakistan Journal of Surgery*, 1: 139-142, 1985.

SAEED, S.A., and **SURIA, A.:** Prostaglandins, menstruation and menstrual disorders. *Journal of Pakistan Medical Association*, 36: 120-126, 1986.

**SURIA, A.**, NASREEN, R., and SAEED, S.A.: Differential effects of adrenergic blocking drugs on platelet aggregation *Biochemical Society Transactions*, 1294-1295, 1986.

SAEED, S.A., BADI, G., KARIMI, S.J., and **SURIA, A.:** Inhibition of platelet aggregation by human plasma. *Biochemical Society Transactions*, 1295-1296, 1986.

SAEED, S.A., KARIMI, S.J., and **SURIA, A.:** Induction of human platelet aggregation by organic solvents and the effects of various drugs. *Biochemical Society Transactions*, 1293-1294, 1986.

SAEED, S.A., and **SURIA, A.:** Modulation of prostanoid synthesis, arachidonate lipoxygenase and platelet aggregation by Dimethylsulphoxide. *British Journal of Pharmacology*, 88: 265, 1986.

SAEED, S.A., and **SURIA, A.:** Differential effects of anti-psychotic and antidepressant drugs on human platelet aggregation. *British Journal of Pharmacology*, 88: 365, 1986.

SAEED, S.A., TALATI, J.J., and **SURIA, A.:** Decreased ability of human plasma to inhibit lipid peroxidation in Uraemia. *Pakistan Journal of Surgery*, 1: 199-201, 1986.

SAEED, S.A. and **SURIA, A.:** Regulation of arachidonic acid metabolism in human fetus and the neonate. *Pakistan Journal of Surgery*, 2: 32-41, 1986.

SAEED, S.A., KARIMI, S.J. and **SURIA, A:** Evaluation of drug effects on rabbit intestinal alkaline phosphatase activity. *Pakistan Journal of Pharmacology*, 3: 49-55, 1986.

SAEED, S.A., KARIMI, S.J., and **SURIA, A.:** Dimethylsulphoxide inhibits platelet aggregation and alters arachidonic acid metabolism. *Pakistan Journal of Pharmacology*, 4: 45-52, 1987.

SAEED, S.A., and **SURIA, A.:** Ability of human plasma to inhibit prostaglandin F<sub>2</sub> in asthma. *Biochemical Medicine and Metabolic Biology*, 38: 235-239 1987.

**SURIA, A.**, NASREEN, R., and SAEED, S.A.: GABA involvement in naloxone induced reversal

of respiratory paralysis produced by thiopental. *Life Sciences*, 42: 643-650, 1988.

SAEED, S.A., KARIMI, S.J., ATTA-UR-RAHMAN and **SURIA, A.**: Inhibitors of human platelet aggregation in Barley Extracts. *Biochemical Society Transactions*, 16: 19-20, 1988.

SAEED, S.A, **SURIA, A.**, KHALID, Q., and AHMED, Y.: Selective inhibition of PAF-induced human platelet aggregation by garlic exudate. In: *Biochemistry for Development: proceedings of 6th Symposium of FAOB (IUB) (Federation of Asian & Oceanian Biochemists)* (Ed. M. Atta-ur-Rehman), 307-314, 1988.

SAEED, S.A., and **SURIA, A.**: Ability of human plasma to inhibit platelet aggregation in asthma. *British Journal of Clinical Pharmacology*, 26: 226, 1988.

SAEED, S.A., NASREEN, R., and **SURIA, A.**: Synergistic actions of 5-HT and arachidonic acid in platelet aggregation Effect of 5-HT blockers. *British Journal of Pharmacology*, 94: 330, 1988.

SAEED, S.A., KARIMI, S.J. and **SURIA, A.**: Differential effects of dimethylsulphoxide on human platelet aggregation and arachidonic acid metabolism. *Biochemcial Medicine and Metabolic biology*, 40: 143-150, 1988.

SAEED, S.A., NASREEN, R. AMIRALI, S. and **SURIA, A.**: Inhibition of arachidonate lipoxygenase by ketotifen. *Biochemical Society Transactions*, 16: 814-815, 1988.

**SURIA, A.**, BHIDYA, M.P., and SAEED, S.A.: Selective inhibition of prostaglandin biosynthesis by antipsychotic drugs. *Pakistan Journal of Pharmacology*, 5: 81-86, 1988.

#### **1989-1992 :-**

SAEED, S.A., ALEEM, F., NAQVI, A., JAFAREY, M.H. and **SURIA A.**: Synergistic actions of platelet- activating factor and 5-HT in platelet aggregation: effect of 5-HT blockers and anti-asthma drugs. *British Journal of Pharmacology*, 97: 544, 1989.

GILANI, A. and **SURIA, A.**: Interaction of amitiptyline and imipramine with serotonin receptors in rat uterus and stomach. *Pakistan Journal of Pharmacology*, 6: (27-33) 1989.

GILANI, A.H., SAEED, S.A., HUSNAIN, S.Q. and **SURIA, A.**: Effect of histamine receptor blockers inhibit human platelet aggregation. *Biochemical Society Transactions*, 18: 287-288, 1990.

GILANI, A.H., SAEED, S.A. and **SURIA, A.**: Effect of adrenoceptor blocking drugs on platelet aggregation induced by various aggregating agents. *British Journal of Pharmacology*, 98: 899, 1990.

SAEED, S.A., GILANI, A.H., BAIG, I., MAHMOOD, F., KARIMI, S.J., and **SURIA, A.**: Human plasma proteins and inhibition of platelet aggregation. In: *Protein Structure Function Relationship*. (Ed. Zaidi, Z.H. Abbasi, A., Smith, D.L.). Twel Publishers, London, 251-263, 1990.

SAEED, S.A., GILANI, A.H., **SURIA, A.** and BOYDE, T.R.C.: naturally occurring inhibitors of

platelet aggregation in blood plasma and serum. *Journal of Animal & Plant Sciences*, 1: 67-74, 1991.

BHUTTA, Z., NAQVI, S.H., DURRANI, S. and **SURIA A.**: Chloramphenicol therapy of typhoid fever. *J.P.M.A.*, 91: 26-30, 1991.

BHUTTA, Z., NAQVI, S.H., DURRANI, S. and **SURIA, A.**: Chloramphenicol therapy of typhoid fever and its relation to hepatic dysfunction. *Journal of Trop. Paediatrics*, 37: 320-322, 1991

TALATI, J., SAEED, S.A., VAKHARIA, J. and **SURIA, A.**: Indomethacin in male infertility: Effectiveness and predictors of response. *Pakistan Journal of Surgery*, 7: 50-53, 1991.

BHUTTA, Z.A., NIAZI, S.K., NAQVI, S.H., **SURIA, A.**: Chloramphenicol clearance in children with typhoid fever. Implication for therapy. *Indian Journal of paediatrics*, 59: 213-219, 1992

GILANI, A.H., AFTAB, K., SAEED, S.A. and **SURIA, A.**: Effect of harmalol on blood pressure in anaesthetized rats. *Biochemical Society Transactions*, 20: 359, 1992.

### **1993 - 1998:**

MOLLA, A., BADRUDDIN, S., KHURSHID, M., MOLLA, A., RAHMAN, F., DURRANI, S., **SURIA, A.**, SNYDER, J., HENDRICKS, K.: Vitamin A status of children in the Urban Slums of Karachi assessed by the clinical, dietary and biochemical methods. *American Journal of Tropical Medicine and Hygiene*, 48: 89-96, 1993.

**SURIA, A.** and RASHEED, F.: Evidence for involvement of Amino Acid Neurotransmitters in Anesthesia and Naloxone Induced Reversal of Respiratory Paralysis. *Life Sciences*, 54: 2021-2033, 1994.

GILANI, A.H., JANBAZ, K.H., ZAMAN, M., LATEEF, **SURIA, A.**: and Ahmed, H.R. Possible presence of Calcium Channel blocker (s) in *Rubia cordifolia*; an indigenous medicinal plants. *Journal of Pakistan Medical Association*, 44: 82-85, 1994.

GILANI, A.H., AFTAB, K. and **SURIA, A.**, SIDDIQUI, S., SALEEM, R., SIDDIQUI, R.S. and FAIZI, S.: Pharmacological Studies on Hypotensive and Spasmolytic Activities of Pure Compounds from *Moringa oleifera*. *Phytotherapy Research*, 8: 87-91, 1994.

ZIA, A., SIDDIQUI, B.S., BEGUM, S., SIDDIQUI, S. AND **SURIA, A.**: Studies on the constituents of the leaves of *Nerium oleander* on behavior pattern in mice. *Journal of Ethopharmacology*, 49: 33-39, 1995.

Bina S. Siddiqui, Razia Sultana, Sabira Begum, Atiya Zia, and **SURIA A.**: Cardenolides from the Methanolic Extract of *Nerium oleander* Leaves Possessing Central Nervous System Depressant Activity in Mice. *J. Nat. Prod.*, 60: 540-544, 1997.
